No credit card required | Cancel anytime

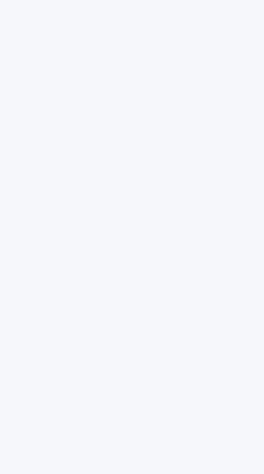

TRUSTED BY 350K+ ENTREPRENEURS, ECOMMERCE STORES, AND GLOBAL BRANDS

Other email marketing and automation platforms charge you more for the success they promised to promote

[How it works →](#)

The more emails you send, the more you pay.

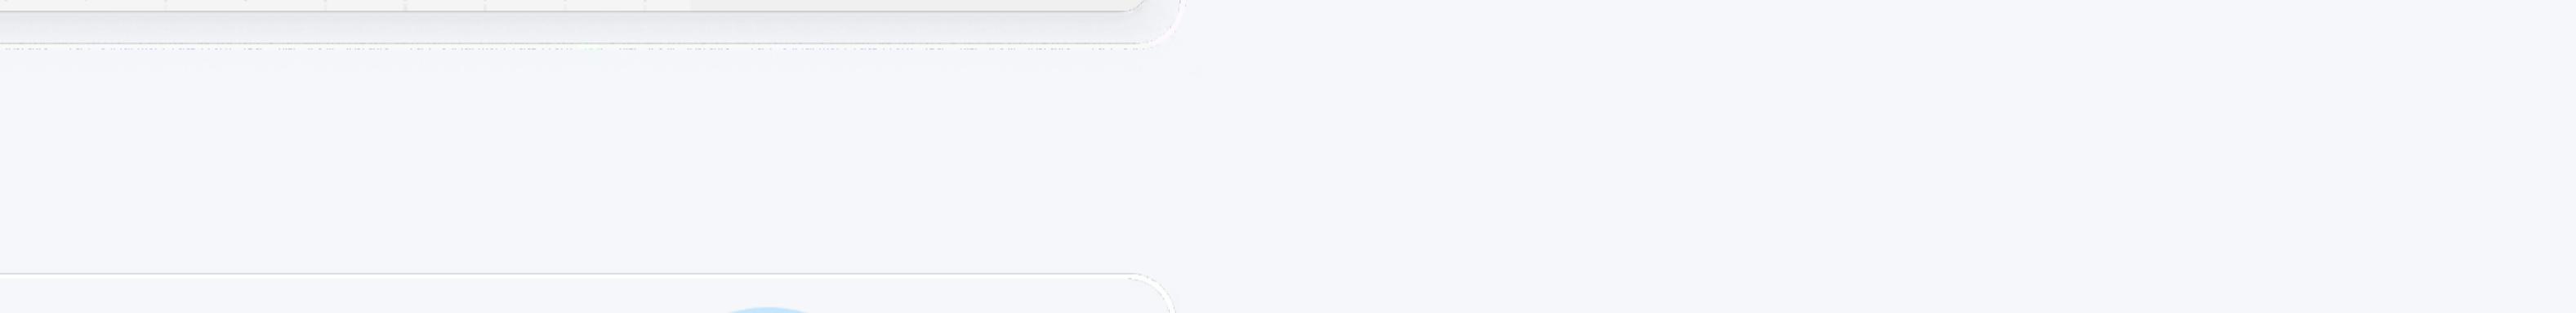

Automations and campaigns are capped.

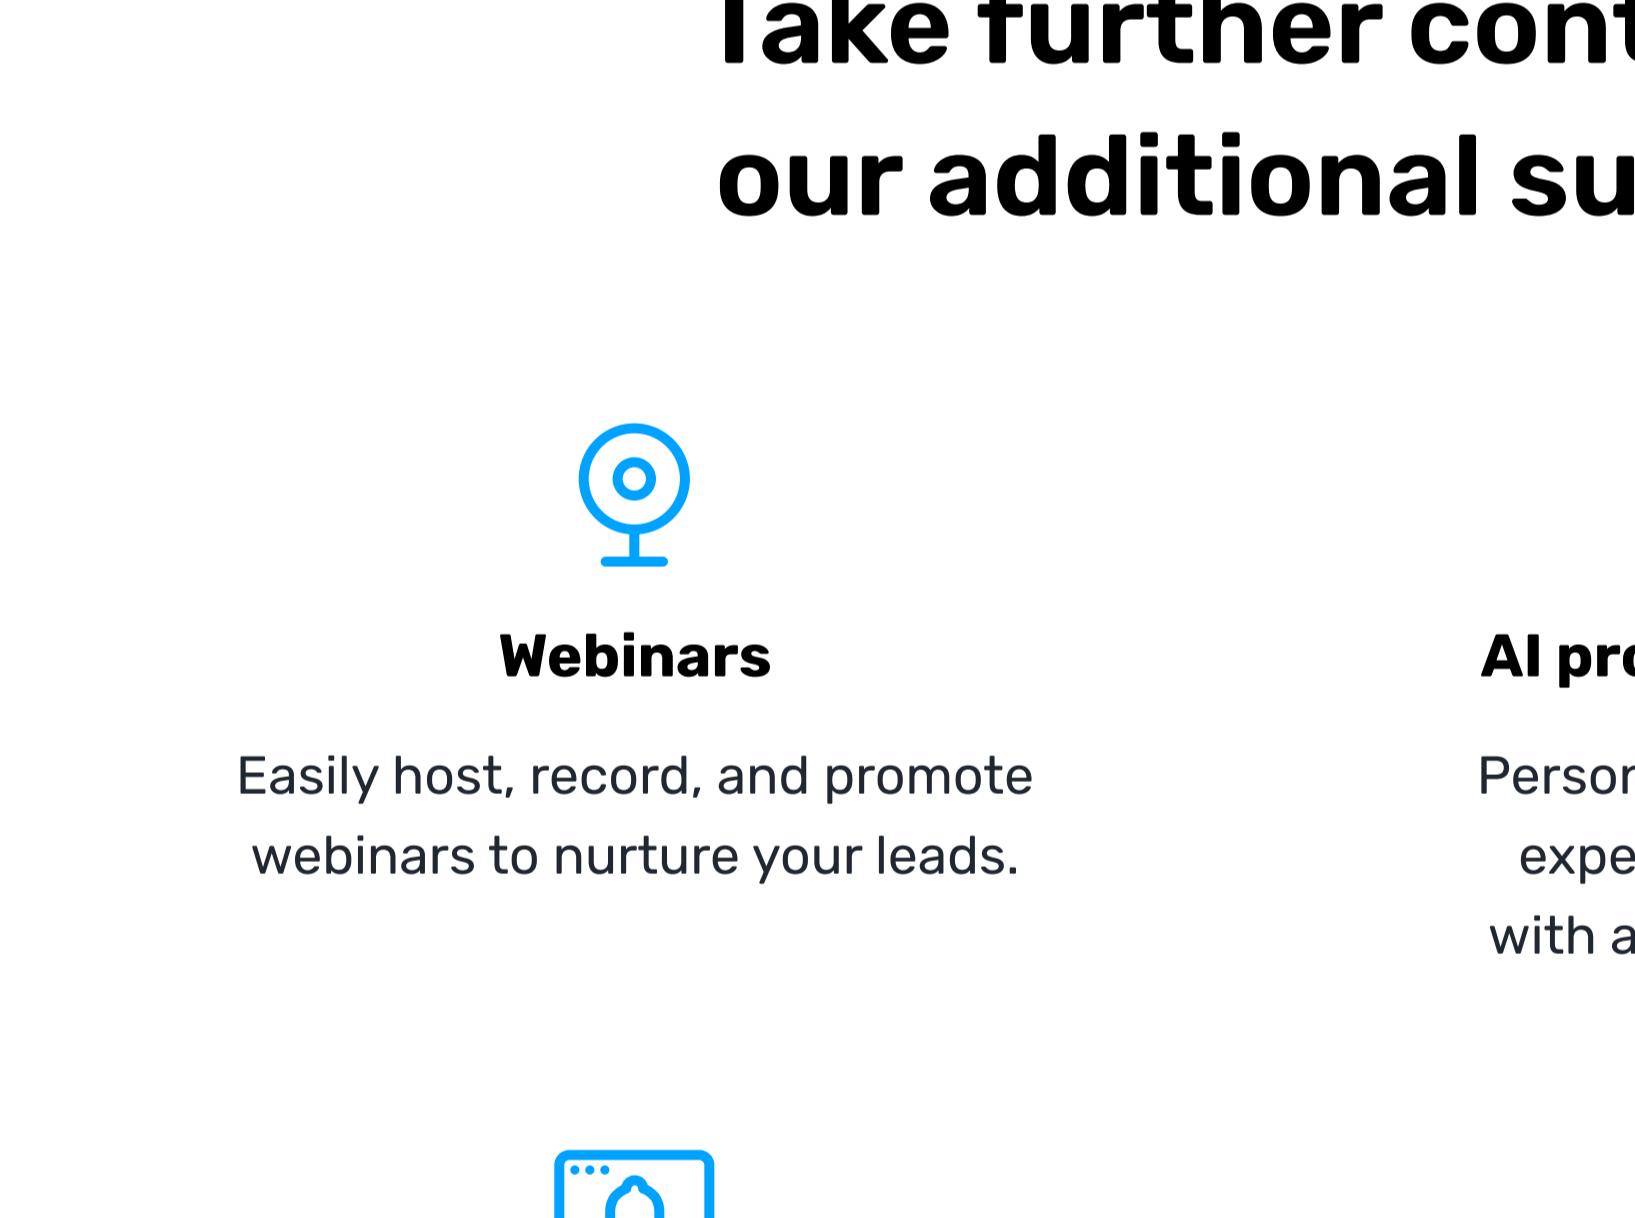

Every marketing module add-on costs extra.

GetResponse:

The only email marketing and automation tool that stays affordable as you get more **successful**.

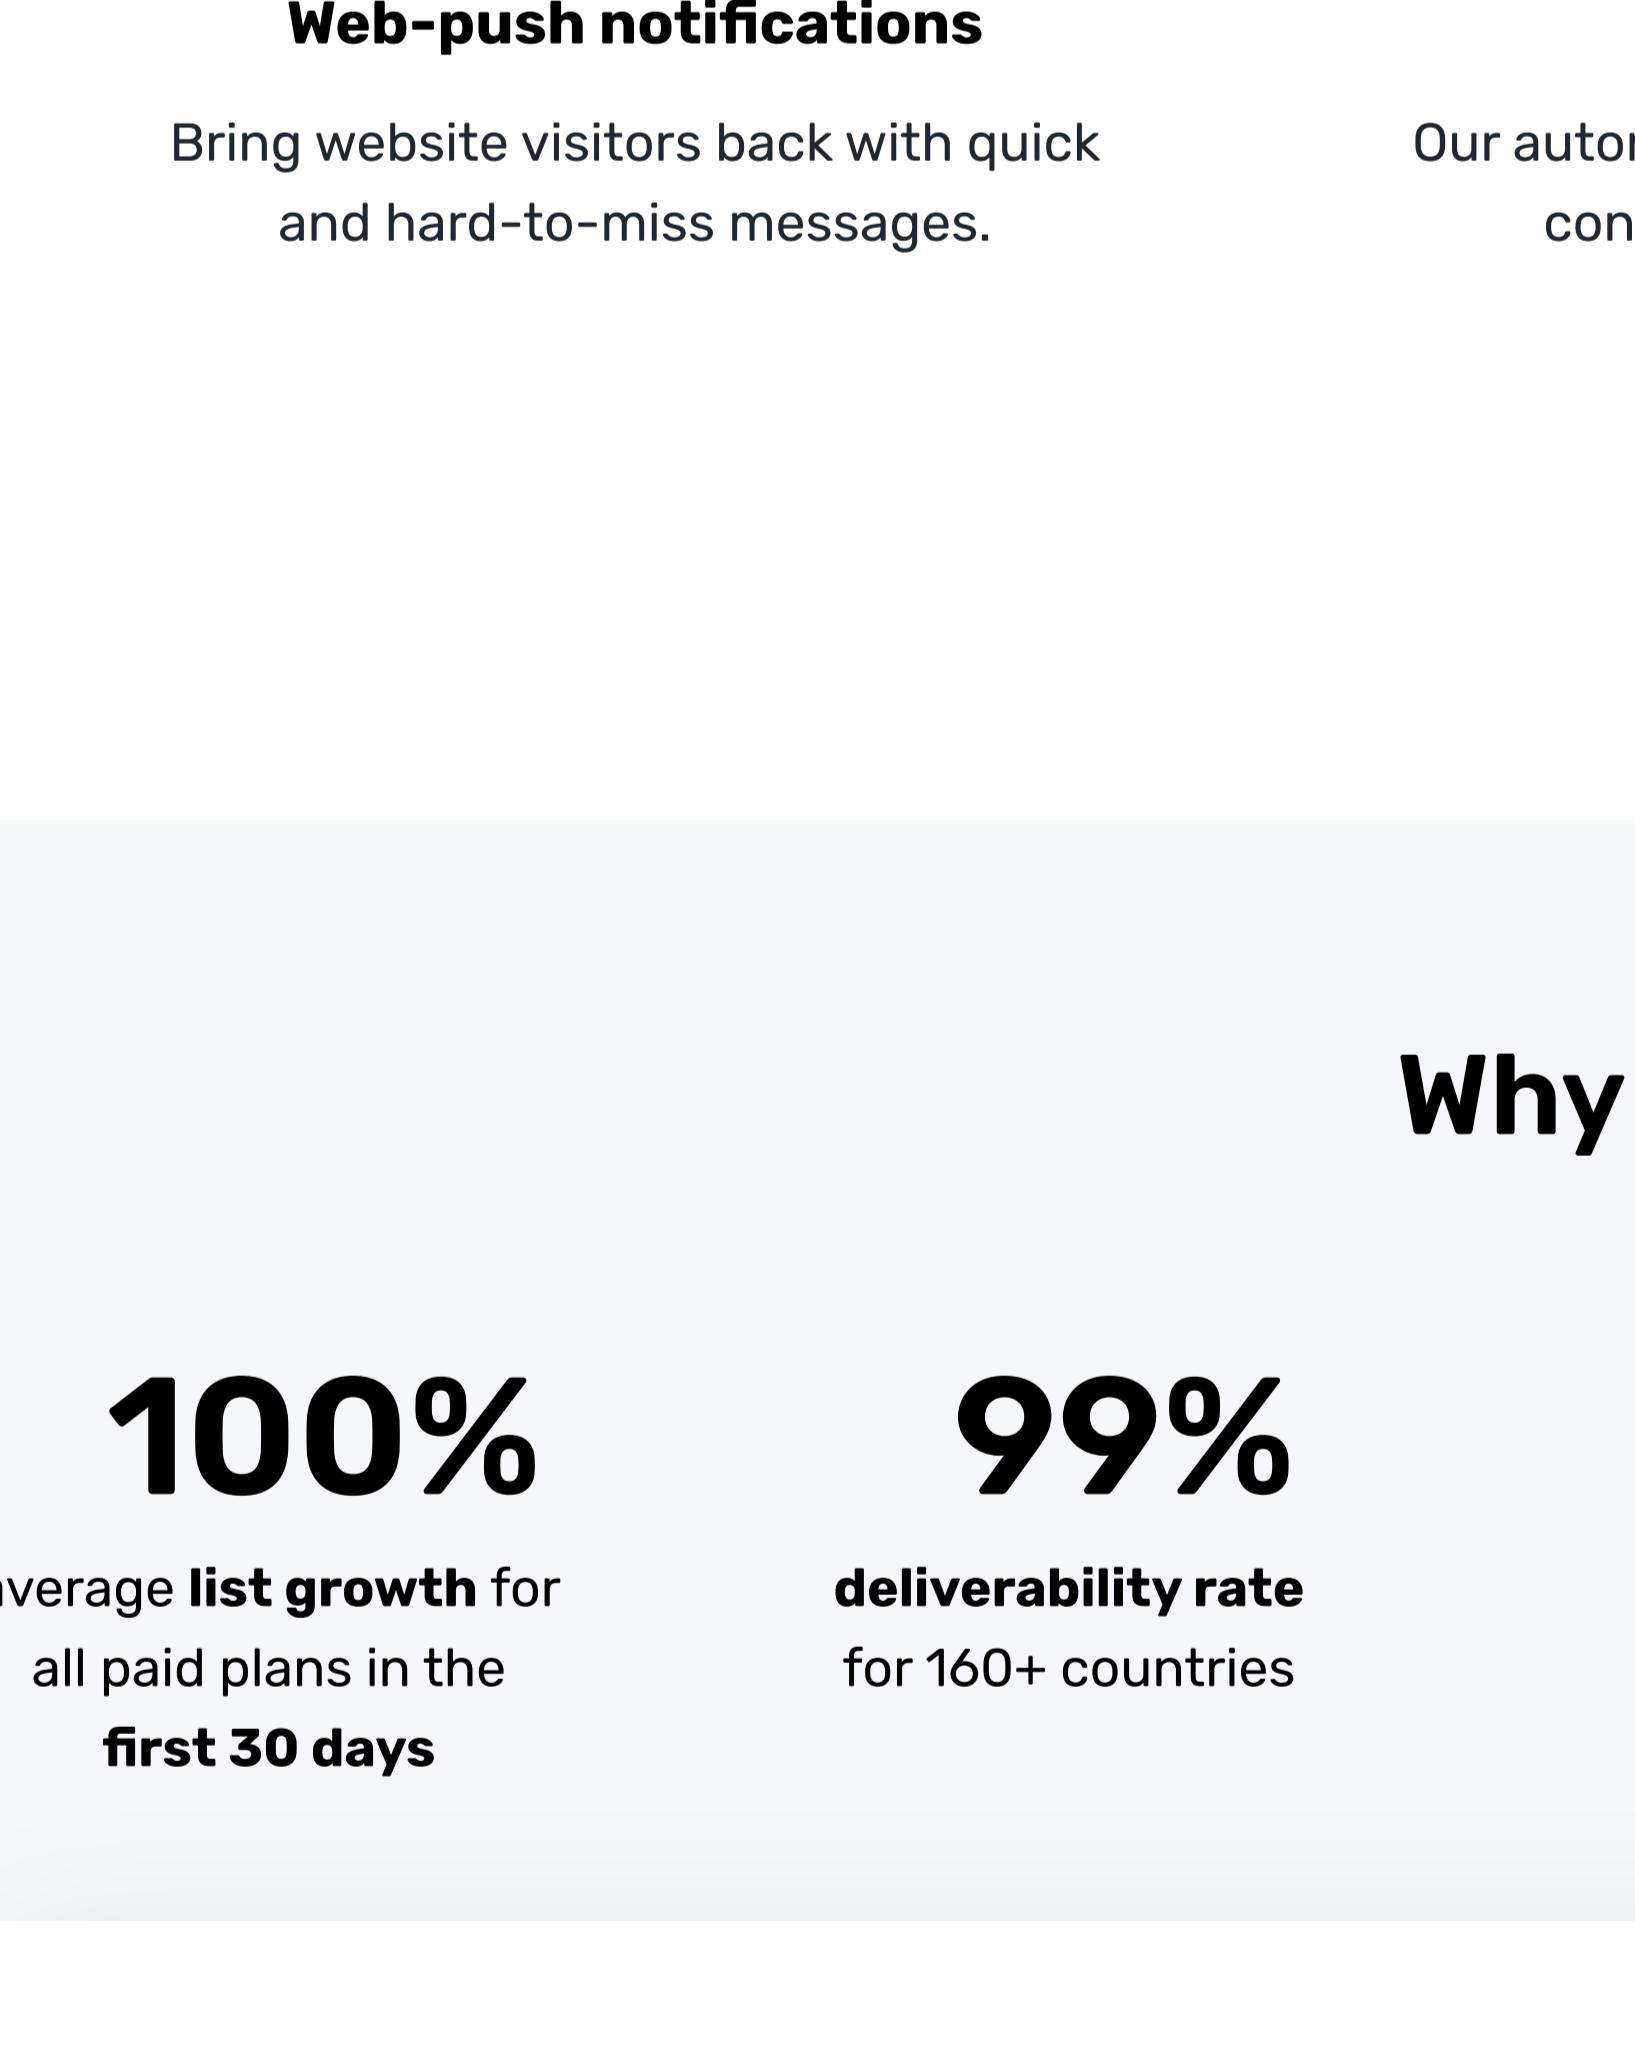

Limitless access to the tools that move your business forward – and sell more

Unlimited newsletters

Send unlimited emails with AI that helps you personalize campaigns, launch products, or share updates.

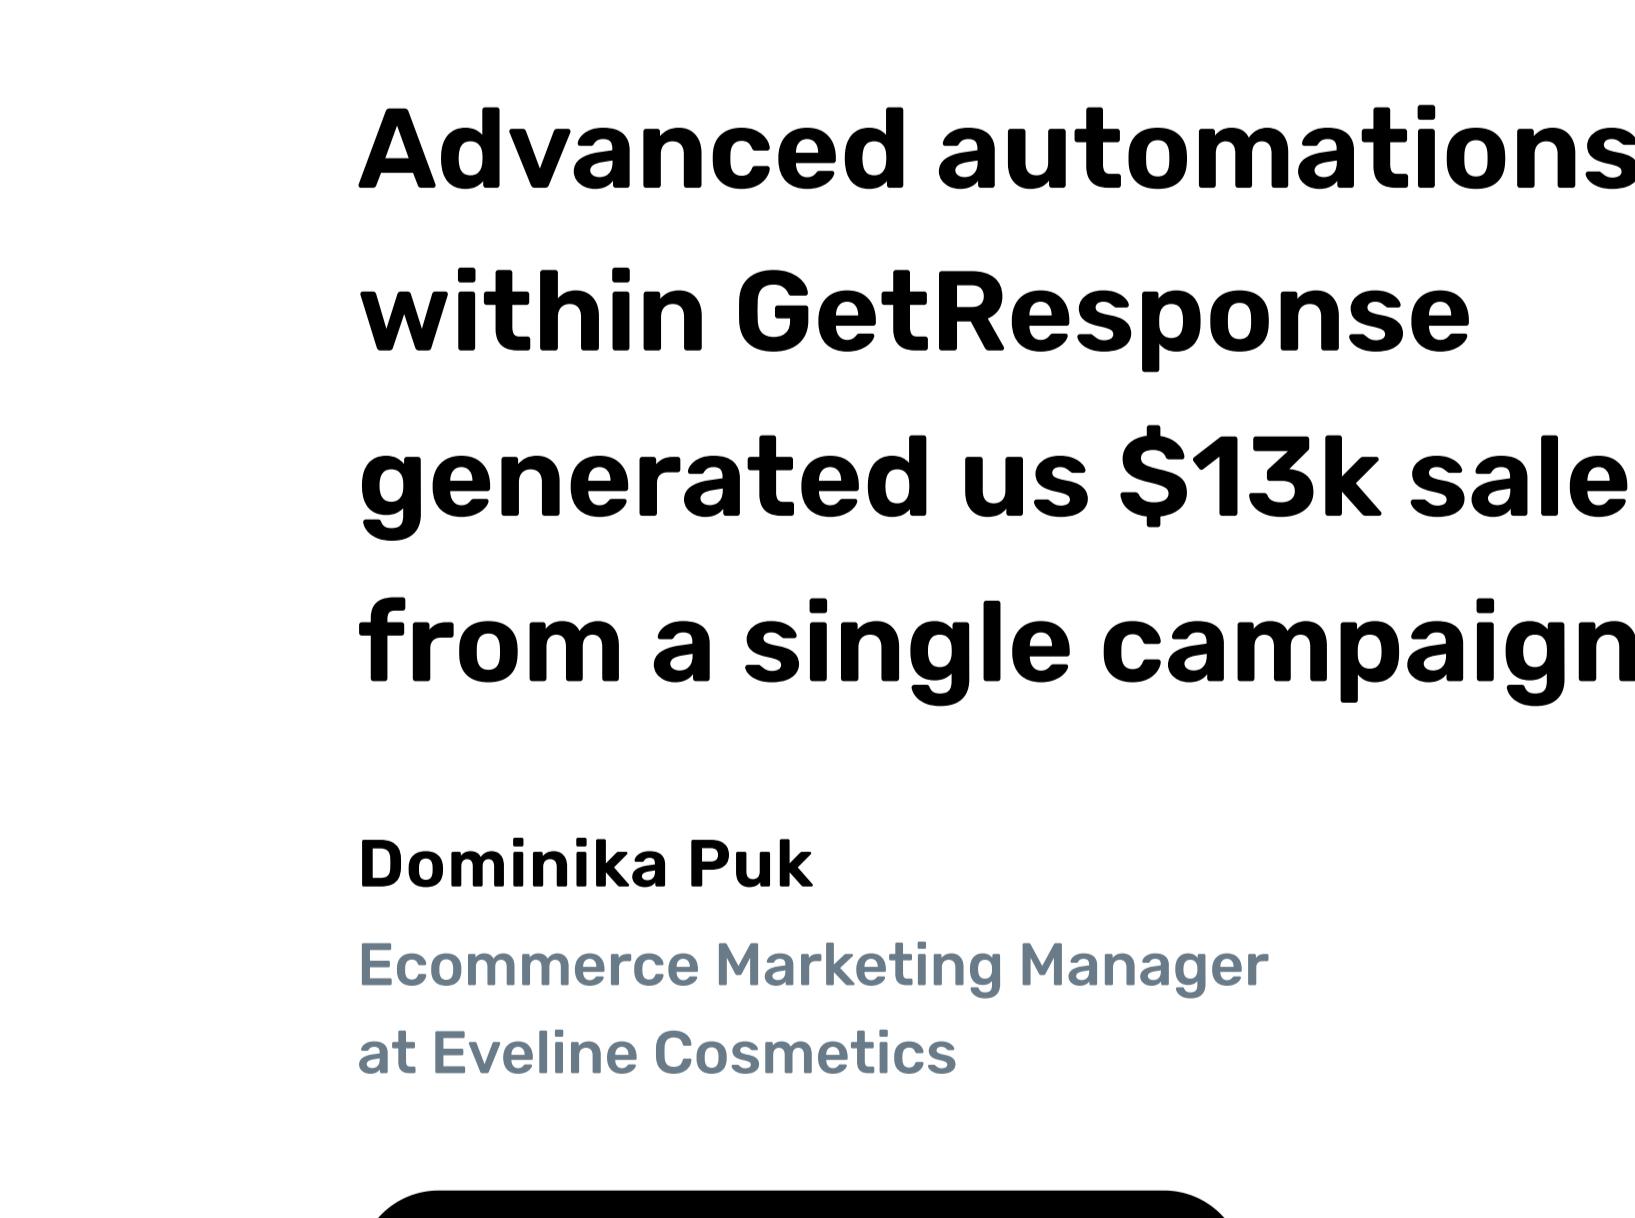

[Learn more →](#)

Unlimited automations

Create journeys that welcome new customers, recover carts, or win back subscribers – with smart AI to boost engagement.

[Learn more →](#)

Unlimited landing pages

Publish pages for launches, flash sales, or lead capture – with no limit, and AI that helps you launch faster.

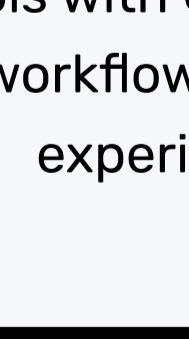

[Learn more →](#)

Take further control of your marketing using our additional suite of AI tools and features.

Webinars

Easily host, record, and promote webinars to nurture your leads.

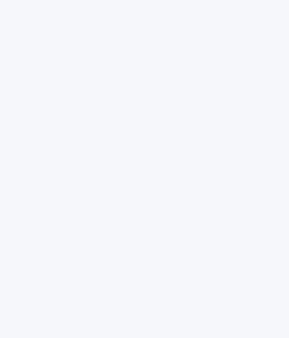

AI product recommendations

Personalize your website's shopping experience and email campaigns with automated recommendations.

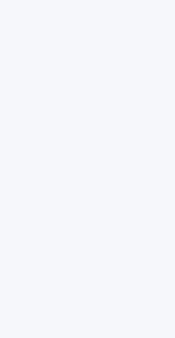

SMS

Reach your customers directly with SMS, built into your email marketing & automation platform.

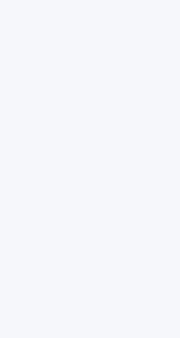

Web-push notifications

Bring website visitors back with quick and hard-to-miss messages.

Funnels

Our automated sales funnel creator helps convert your customers faster.

Forms and Popups

Create, edit, and manage popups, banners, and bars that engage your audience.
