Our customer affiliate scheme (in brief)

If you have either a website, a Facebook page or group, an Instagram account or a YouTube channel with an audience who might be interested in purchasing art supplies, you may be able to earn a commission for each customer who uses your personalised link to our shop and makes a purchase from ARTdiscount.

By signing up to become an affiliate you can earn a commission by sharing a special link we will provide to you, which goes to the ARTdiscount website. If somebody makes a purchase using your link, you will earn a commission.

The process of signing up is very simple, you don't have to be tech savvy to do so. Our customer affiliate program has been created primarily for our customers but anybody is welcome to sign up.
