International SEO Consultant, Orainti

KWFinder is one of my go-to tools to easily identify keyword opportunities to target.

With the additional benefit of having all the metrics in one place to easily filter the best ones, it really facilitates the keyword research process.

Rob Marvin
Assistant Editor, Business at PCMag

KWFinder earns its reputation as one of the best SEO tools out there for doing long-tail keyword research.

KWFinder can also identify targeted results where you can carve out a valuable page ranking for the long haul.

More than 25,000 paying customers can't be wrong. [See more testimonials](#).

Mangools SEO affiliate program perks

Lifetime earnings

Receive up to a 35% commission for every monthly or annual payment made by a user who registers through your affiliate link.

You will earn commissions for each user you refer for the entire duration of their subscription.

High and quick conversions

More than 67% of users who subscribed, decided to do so within the first 24 hours after registration.

Thanks to the free trial, users can try all the features and that ensures a high conversion rate in a short time.

No approval process

There is no approval for affiliate registrations so you can start promoting right away.

All you need is a free Mangools account and copy one of the example links in the Affiliate section of the Mangools dashboard.

Prepared promo materials

We have prepared both static and dynamic banners.

Boost the engagement of your visitors with embedded search forms. Adjust the theme and banner by changing the color and size.

Super user-friendly tools

The UI & UX of our tools is surely one of the things that our users love the most.

We've developed 5 super user-friendly SEO tools to appeal not only to beginners but also to professionals who are looking for a simple yet effective and powerful SEO toolset.

Customer education

We actively educate our users through guides and videos to showcase the benefits of our SEO tools.

On top of that, we regularly publish SEO guides, case studies, and various tricks and tips to improve their search engine optimization skills.
