Why Sign Up.

Cupid Media operates a diverse network of dating sites focused on niche markets based on ethnicity, religion, physical appearance, sexual preference or special interests.

Due to our niche market targeting, large membership base, strong brand and the fact that we are a market leader in many of our selected markets, affiliates will benefit from higher conversion rates and generate additional and more frequent revenue. With millions of customers worldwide, we are one of the largest niche dating companies in the world. With a membership base from the USA, Canada, Europe, Australia, Asia, Latin America and Africa, we have members from nearly every country on earth. Our affiliate program is available to affiliates from approved countries.

Our sites use world-class technology including advanced instant messaging, local search, chat and video messaging features to provide our members with a first class experience.
