

AVIS CAR RENTAL AFFILIATE PROGRAM

Earn extra revenue by promoting the Avis Brands

Working with Avis and promoting one of the most globally recognized travel brands, you have the opportunity to maximize your website's earnings. We offer leading commission rates of up to 4% with regular incentives to boost your earnings on certain cars, locations or driving dates.

Advertise on your web properties

You will get access to a wide range of regularly updated creative, links, and brand information to help you successfully promote Avis on your website. We currently provide banners in the most popular sizes, including; MPU, vertical skyscrapers and horizontal leaderboards.

We run regular promotions to provide discounts for customers and boost demand and conversion; alongside key promotions we also offer bonus commission and will consider site tenancies to help support key initiatives.

Up-to-date tracking through the Partnerize platform ensures that all sales your website drive to Avis.com are reliably tracked. You can see up-to-date information about how much you have earned with Avis on our affiliate dashboard.

How to Join

If you're already a publisher on the Partnerize (formerly known as Performance Horizon) network then you should contact the email below to be guested to the Avis Network.

Once invited you just need to log in, navigate to 'Admin > Campaign', look for 'Avis US' and press 'Join'. You'll be approved and get access to all the new information, offers and creative.

If you need to sign up to the Partnerize network, [click here](#) to join.

We and our partners use cookies and other technologies to collect your information and interactions so that we can improve your experience (see our [Privacy Policy](#) and [Terms of Use](#)).
