It pays to share

We love referrals, which is why our advocate program has the highest potential payout structure in the industry. In fact, if you refer 500 new paid accounts or more in a trailing 12-month period, you'll earn 50% referral commissions.

So, if you refer 500 people and they each sign up for \$30/month and continue paying, you'll make

\$90,000/year

Just because they used your link!
