Why Promote Elegant Themes?

Get The Highest Commissions Percentage In The Industry

We offer 50% commissions. That's huge! We believe in the power of this affiliate program. That's why we have paid our affiliates over \$38,000,000.00. You won't find a higher paying program in the WordPress ecosystem.

Earn Recurring Revenue On Subscriptions Forever

This is the most amazing part of the Elegant Themes affiliate program. All of our products are subscription-based. Unlike other affiliate programs, we pay you 50% of every recurring payment from the customers you refer. That recurring revenue stream builds and builds over time.

Earn More From Our Huge Ecosystem Of Products

The Divi membership is just one of the many ways that your visitors can generating commissions. Our ecosystem of products offers a much wider range of revenue opportunities than other WordPress-related affiliate programs.

Promote The Most Popular WordPress Theme

The best part about promoting Divi is that the product is awesome. It practically sells itself! That's why Divi has become the most popular WordPress theme in the world. It's an amazing product and an amazing value.

Frequently Asked Questions

How does the affiliate program work?

Each affiliate is supplied with a special link that can be used to refer potential customers to our website. We track all of the traffic that comes through this link. If any of your referrals purchase something on our website within the attribution window, you get a commission. Commissions are awarded to the affiliate that most recently referred a visitor.

How much can I earn as an Elegant Themes affiliate?

How long will referrals be attributed to my account?

How are affiliates paid?
