Fi's Referral Program

Fi's Referral Program

10 days ago · Updated

Know someone with a cat or a dog? Easily share your unique referral code directly from the Fi App to earn Fi Perks.

Every time a friend purchases a new Series 3+ or Fi Mini with your referral code, you will both be rewarded!

Referral Rewards

Your Friend's Reward:

- 1 free month added to their Fi Membership
- \$20 off a Series 3+ or Fi Mini device, which means the device activation fee is waived (excluding Monthly Memberships)

Your Reward:

- 1 free month added to your Fi Membership

Redeeming Referral Rewards

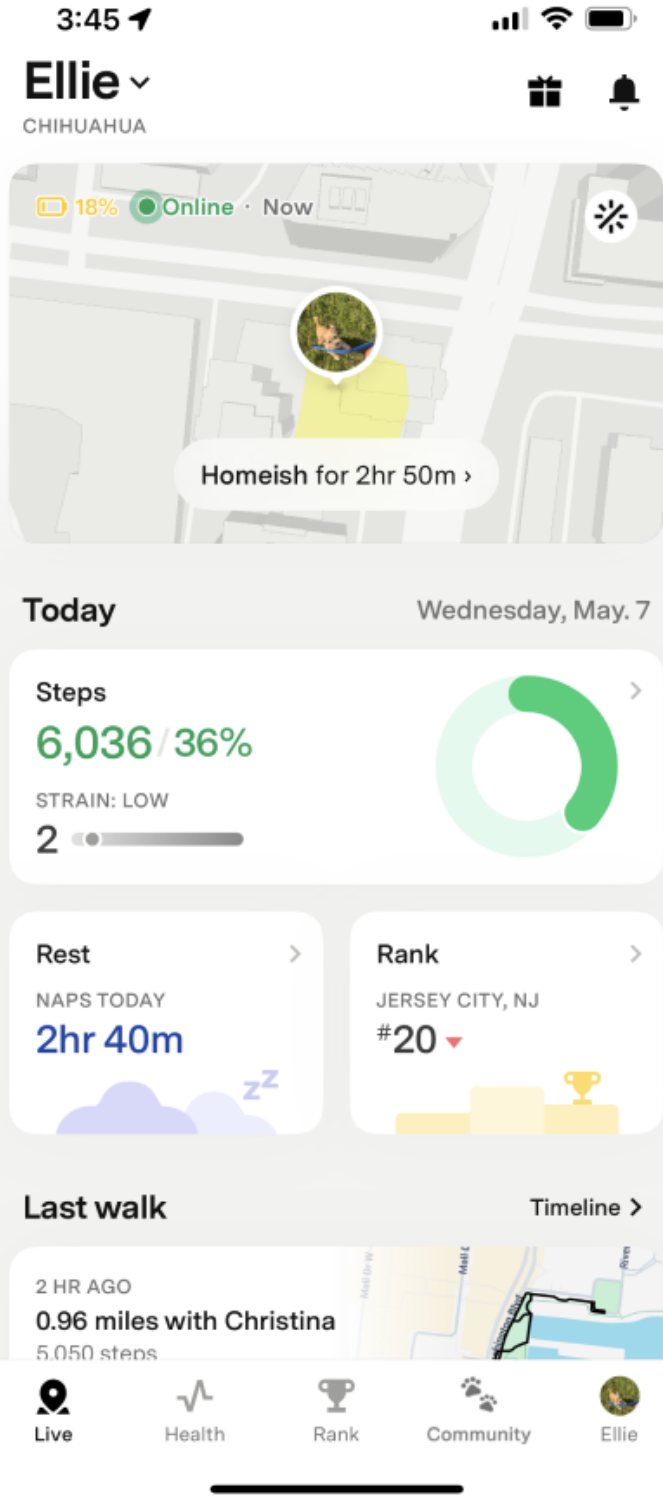

To claim these rewards, the new Fi Member you referred must apply your unique referral code at checkout during their Series 3+ or Fi Mini purchase. We cannot retroactively add a referral code to an order.

After they activate their device, the free month will be added to their Fi Membership and your Fi Membership at the end of the membership term.

You'll earn one reward per successful referral. The same person cannot use a referral code multiple times.

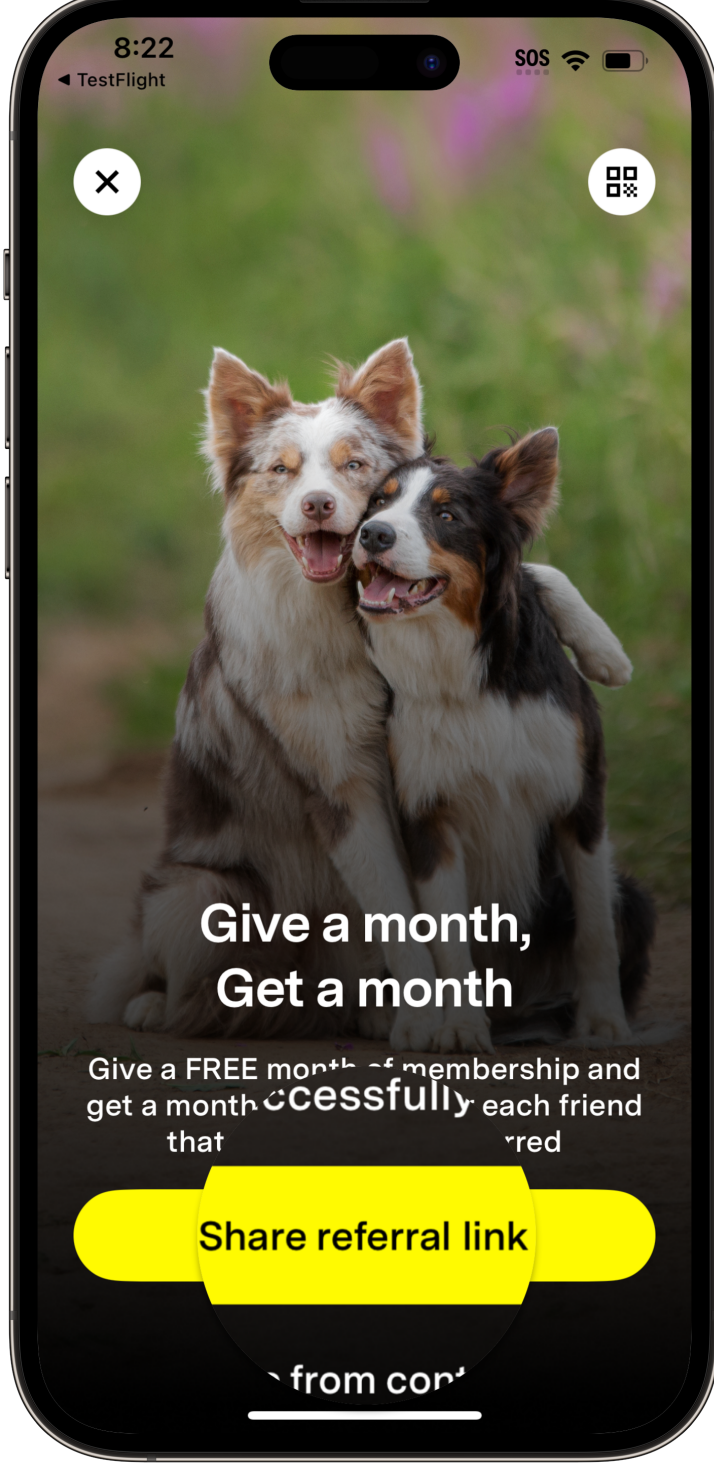

How to View + Send Your Unique Referral Code

1. Open the Fi App and tap on the **Live Tab**.
2. Tap on the black gift icon on the top right corner of your screen.

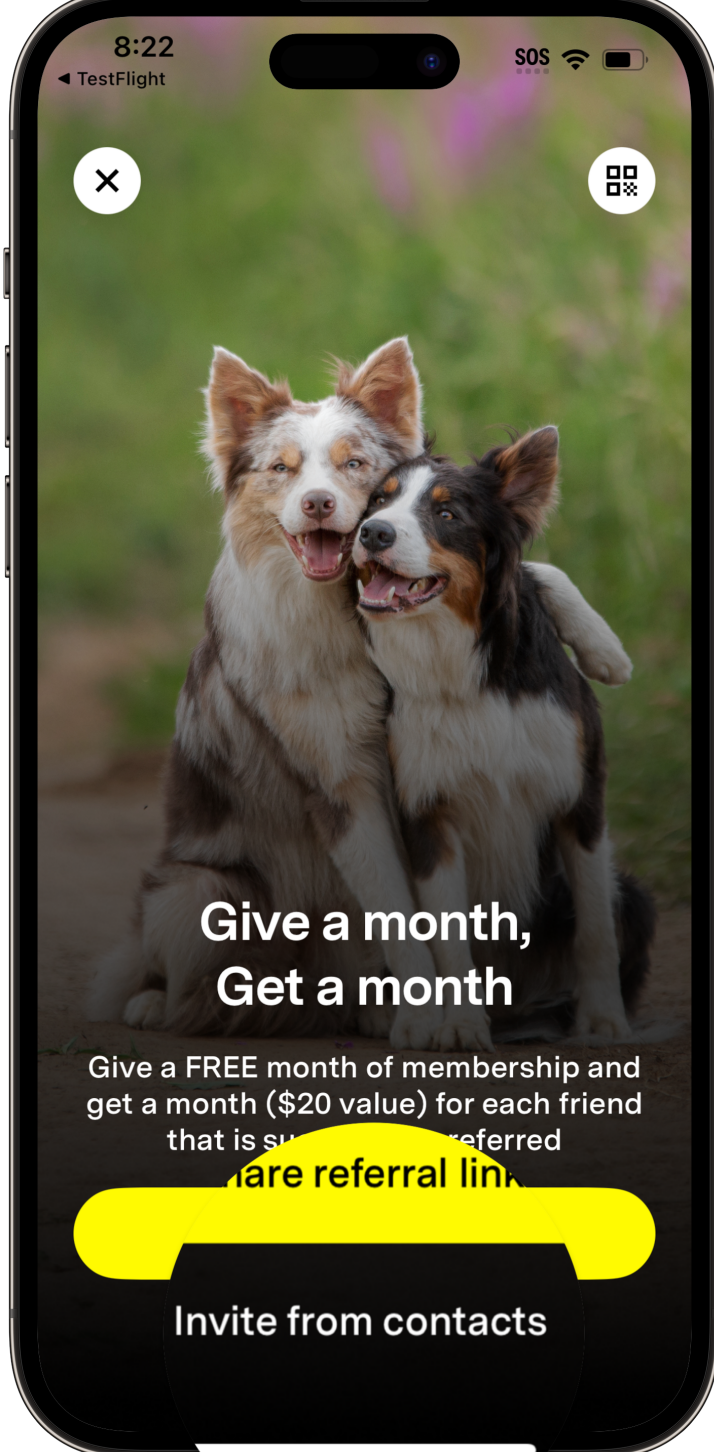

3. Now, you can easily share your referral code with your friends.

To share your referral link: Tap the **Share your referral link** button.

Or

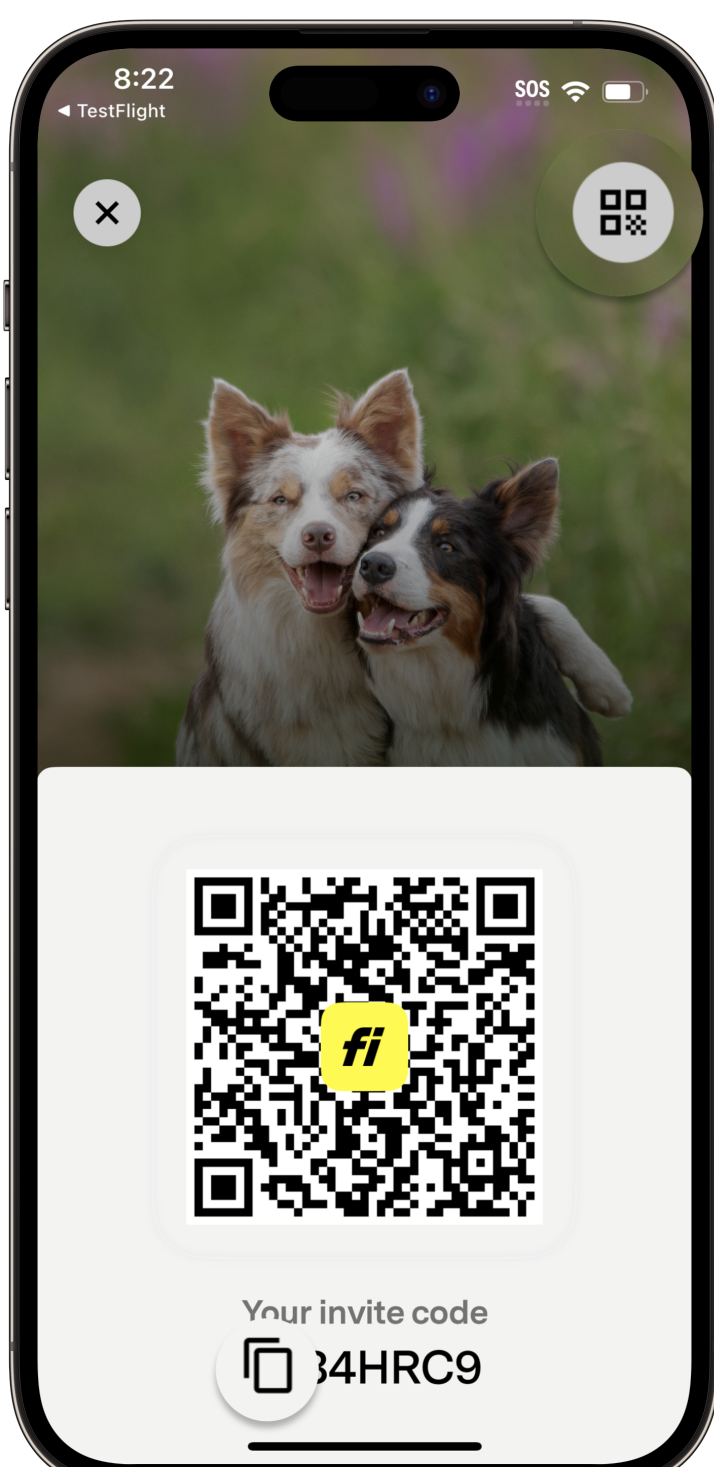

To invite friends from your phone contacts: Tap the **Invite from contacts** button.

Or

To share your unique QR or referral code: Tap the **QR code** located in the upper-right corner.

Then, you can share your referral code with friends by copying it to your phone's clipboard or have your friends directly scan the QR code with their phone.
