

## Join Our Affiliate Program

**Do you want to earn money promoting TopCashback, the USA's most generous Cash Back website?**

Then you've come to the right place! Below is all the information you need to join TopCashback's Affiliate Program.

### What is the TopCashback Affiliate Program?

The Affiliate Program is a great way for publishers to earn commission by promoting TopCashback to their audiences. Commission is earned on a Cost Per Activation basis, which means that affiliates will be rewarded when a user signs up with TopCashback and makes their first eligible Cash Back transaction. Each affiliate has a unique link, so we always know who has generated a transaction for us. This is all tracked via our affiliate network.

### What are the benefits of joining TopCashback's Affiliate Program?

- As the USA's most generous Cash Back site, we always have fantastic deals that you can use to promote the site.
- We regularly communicate our strongest offers to our publishers. By promoting our competitive offers, affiliates have the opportunity to maximize their earning potential.
- We monitor affiliate performance and reward publishers that consistently drive quality members to TopCashback.
