## Who is Kasamba?

### Start your spiritual business journey with Kasamba

Kasamba connects people to online psychic advice they can trust.

Our platform has been a leading source of live intuitive guidance since 1999. Two decades later, we've helped millions connect 1-on-1 with professional advisors. And our reach keeps growing.

Kasamba's acquisition by industry giant Ingenio in March 2023 has made us part of a global family of online destinations focused on spiritual and emotional wellness.

As part of the innovative Barges Tech division, we've joined forces with some of the most popular marketplaces for people seeking psychic experiences that use the latest technology.

Are you ready to join us? Kasamba is the gateway to dynamic growth for partners in the spiritual wellness space. With our Affiliate Program, you can benefit from our extensive reach, high conversion rates, and generous commissions. Empower your audience and transform your traffic.
