Frequently Asked Questions

Some of the common questions which might help you out.

1. How to Start Getting Sales?

Once when you join our affiliate program, we will be providing you with all the necessary promotional banners and logos. You can simply place them on your website and redirect them to Optinly. When a sale happens, you'll be able to receive payouts.

2. Why Join Optinly's Partner Program?

There's a whole lot of reasons as to why you should join Optinly's partner program. Optinly is the first goal-based popup plugin backed by relevant popup templates. Also, users get to use gamification popups in the free version. And there are new features coming every day which gives you enough reasons to become an Optinly affiliate

3. How Are My Commissions Calculated?

Let's assume you've made one successful referral for Optinly at \$25. You'll be getting ,

$1 \times \$25 \times 30 = \$7.5 \times 12 = \$90$ for 1 year

For 10 successful referrals, you get \$900

For 100 successful referrals, you get \$9000.

4. How Do I Receive My Commission?

Your payouts will be calculated at the end of every month via Paypal.

Remember that you need to reach the minimum payout threshold which is \$50 to receive payouts.
