OtterBox Affiliate Program

Four reasons why you should become an OtterBox Affiliate--start today and earn some cash!

1. A FREE, easy way to earn EXTRA CASH.

The OtterBox.com Affiliate Program uses the popular and effective tracking services of [Commission Junction](#). OtterBox.com has partnered with Commission Junction so that you can put your sales and marketing skills to the test. Simply fill out a publisher application, place our banner ads or text links on your website (upon acceptance into the program) and watch the money come in through Commission Junction's simple/accurate web-based reporting software. When we make a sale to a customer referred from your web site, you will earn a 10% commission! We are using a 30-day cookie, so if someone clicks on your banner and decides to make the purchase later, as long as it is within 30 days, you will get credit for the sale. Our publishers receive monthly paychecks and best of all, there are no costs to join!

2. Amazing Affiliate and customer service.

The **OtterBox Affiliate Program's** commitment to affiliate services is equal to the commitment we make to our customers. If you have any questions or special requests, feel free to contact your Account Manager at any time and they will get back to you in a timely manner. As far as orders go, we handle everything: Order processing, shipping, billing, customer service and returns. Also, we have a dedicated Customer Service Department that focuses on keeping customers happy and coming back for more!

3. A website designed with USABILITY in mind.

OtterBox.com is a secure website that offers our customers an easy-to-use shopping experience. The website is updated regularly to reflect the seasons and special holidays, and we have site wide promotions running frequently. PLUS, as a buyer's incentive, our website offers FREE SHIPPING on domestic orders.

4. Our products sell THEMSELVES.

Let's face it: There are millions of people out there who need our cases. We focus on popular smartphone devices such as iPhone, LG, HTC, Motorola, Samsung and much more. The bottom line: OtterBox offers the best protection on the market for mobile handheld technology.
