What is the Affiliate Program by Privatejetfinder.com?

The Affiliate Program by Privatejetfinder.com allows the affiliate to get a commission on every flight sold through its website, without any effort.

Simply place links via banners or widgets to get customer requests.

The affiliate will be able to see, in real time, all the information concerning the requests received, the flights being processed and the list of flights sold.

Privatejetfinder.com offers its affiliates a commission of **€150** for a flight sold with a light jet, **€200** for a mid-size jet, and finally **€300** for a large jet.

Registration is easy and free, just complete the application form and our team will contact you.
