FEATURES & BENEFITS

Why choose WP Engine?

Industry-leading hosting

Experience hosting for WordPress® that drives results, transforming websites into powerful engines for business growth.¹

Innovative strategies

Tailored strategies and tools to help you maximize earnings and delight the visitors you referrals.

Aggressive commissions

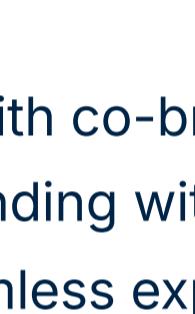

Earn progressively higher payouts by referring more customers to the WP Engine platform.

How our affiliate program works

Two easy & powerful ways to earn

We have highly competitive commission rates for WP Engine.

One-link referral tracking

Conversions are tracked across WP Engine by linking to the site!

Partner-first affiliate team

Access to a friendly and dedicated WP Engine Affiliate Manager ready to help.

Exclusive affiliate discounts

WP Engine offers exclusive, custom discounts and promotions you can offer to your audience.

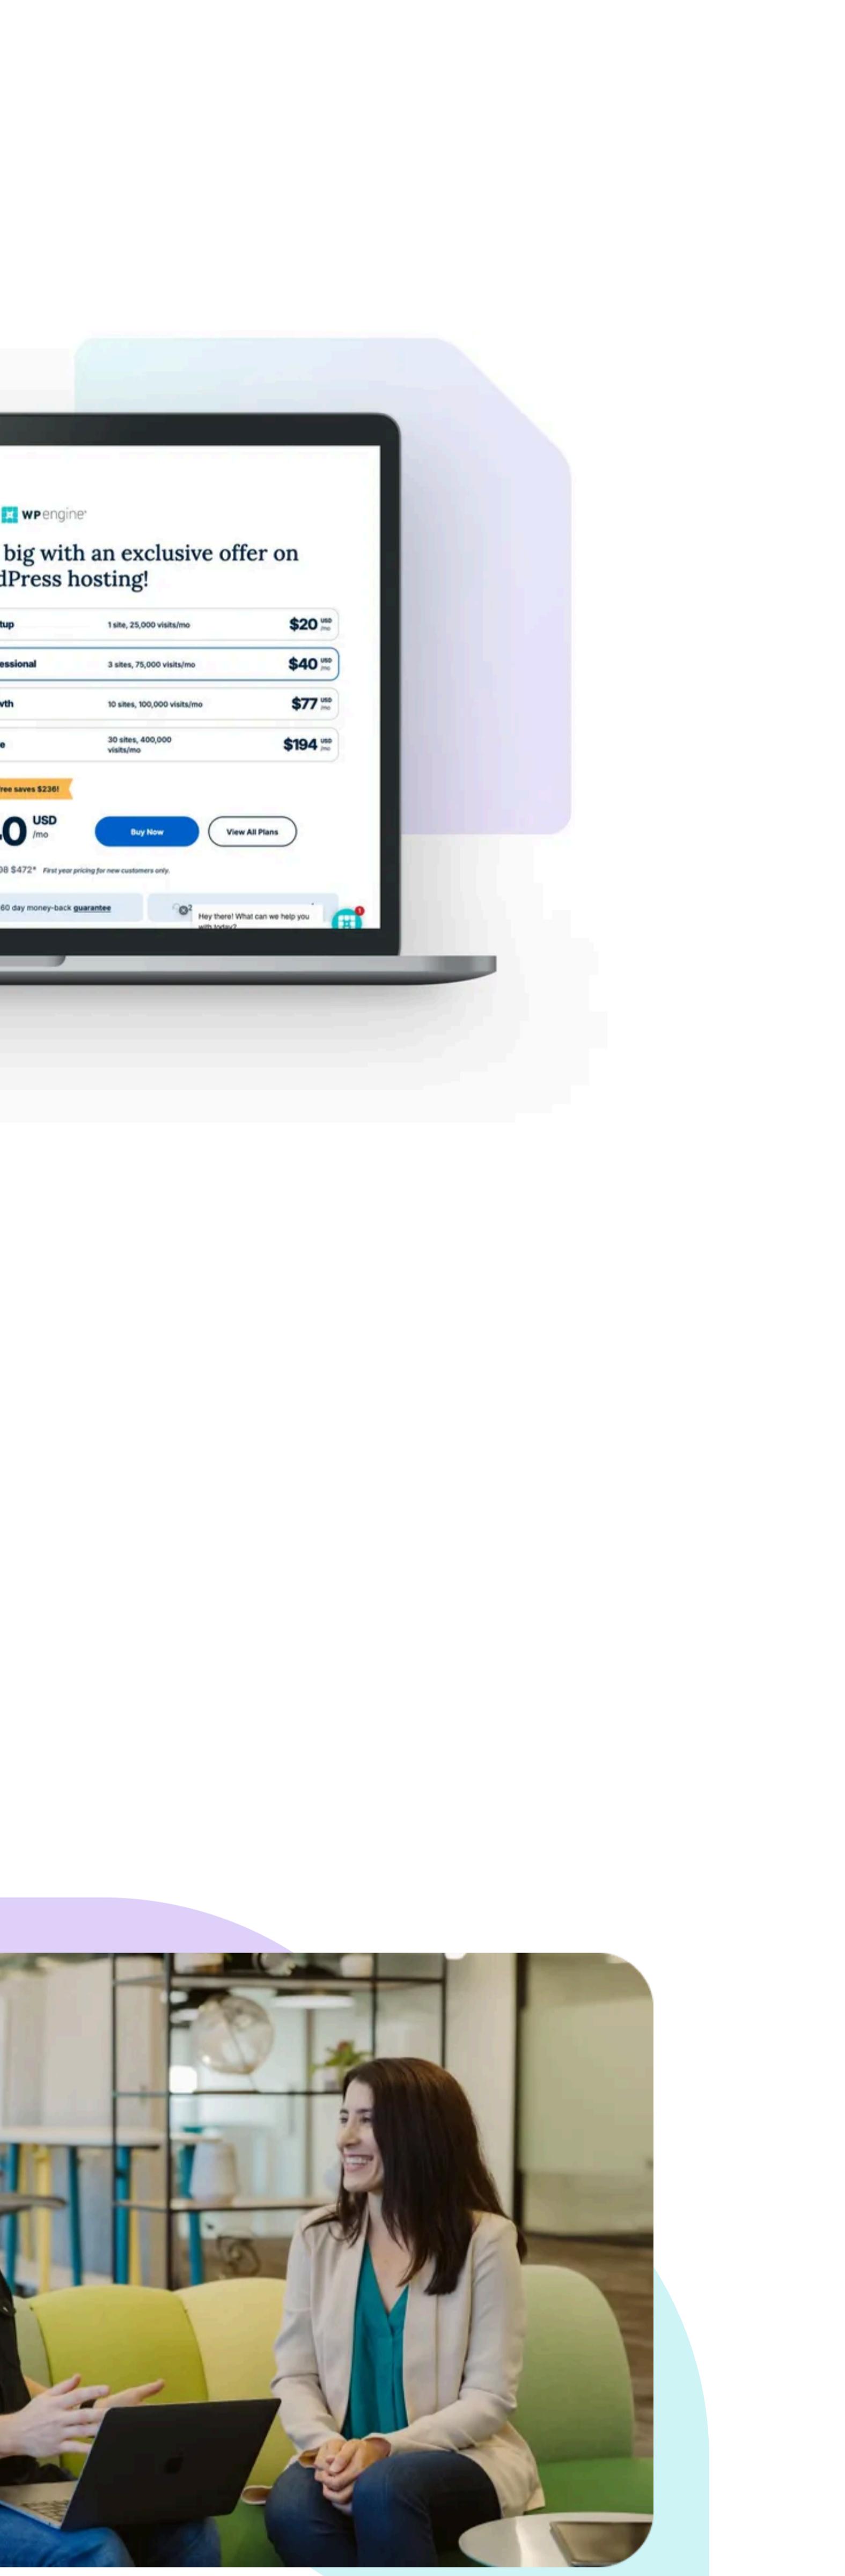

Custom creative & landing pages

Choose from pre-designed banners and landing pages, or take advantage of our custom co-branded assets.

Extended-duration affiliate cookies

Get credit for all WP Engine referrals made within 180 days.

Sell more, earn more

We offer rewards and bonus commissions throughout the year for sending us multiple referrals per month. Sign up today to learn more about our competitive bonus incentives!
