Every great love story begins here – be a part of something more meaningful at eharmony.

Advertise for eharmony: Promote eharmony. Acquire new members. Earn comissions.

Become an eharmony affiliate advertising partner and earn a percentage of leads or sales generated through your campaign! eharmony frequently runs television advertisements which positively impact the online advertising channels, including the affiliate program. Creative assets are updated regularly and we are more than happy to supply our affiliate partners with all essential advertising materials.

People of all ages, ethnicities, national origins and religious and political beliefs have used eharmony to find compatible long-term relationships. eharmony is a top tier online dating service with a robust affiliate advertising program. At eharmony we aim to establish mutually beneficial, lasting relationships – not just with our users, but with our advertising partners as well.
